Work Experience

UNICEF Canada, Communications & Engagement Manager | Toronto - May 2022 – Present

- Provide communication strategy and content support for fundraising, advocacy and emergency teams, ensuring alignment with external communications
- Work closely on earned, owned and paid media channels
- Create, curate and customize content from UNICEF Global and Country Offices
- Support and provide guidance for leadership, teams and global colleagues with content goals through storytelling
- Lead UNICEF Canada's LinkedIn strategy, strengthening thought leadership and supporter engagement
- Manage editorial planning and content pipelines across web, social, audio, and campaign assets to ensure clarity, consistency, and impact
- Work closely with media relations on press releases, briefings and media monitoring
- Produced the UNICEF Canada podcast

United Nations Development Programme, Communication Specialist | Istanbul - Feb 2020 – April 2022

- Led UNDP's Business Call to Action's (BCtA) digital communication strategy
- Led content development across blogs, newsletters, multimedia and knowledge products
- Acted as the primary communications focal point for BCtA's 280 member companies working in 70-plus countries, supporting stakeholder engagement
- Managed editorial calendars, social media channels, digital assets, including the website
- Oversaw the redesign and relaunch of the BCtA website, including content migration and refreshed branding
- Ran communications and logistics for BCtA's virtual annual forums on the sidelines of the UNGA
- Led vendor procurement and management for communications
- Oversaw BCtA's media and content partnerships, strengthening visibility and thought leadership

Co-owner, Yellow Door, Editor and Producer | Remote - May 2016 – Feb 2020

- Provided production and video editing services for documentaries, educational and promotional content, including for USAID, the Fulbright Scholar Program, DoctHers and others

Toronto Police Service, Multimedia Reporter | Toronto, Canada - July 2014 – April 2016

- Responsible for the promotion, distribution and development of content illustrating TPS's work in the community via articles, blogs, videos and photos
- Managed social media channels and contributed to earned media through human-interest storytelling
- Developed internal communications content for over 8,000+ staff

Journalism:

Dawn.com, Multimedia Editor (2011-2013): Set up and managed the multimedia desk, improving the design of web pages for better engagement; increased video views to over 1 million in a year.

SOC Films, Producer (2013-2014): Worked in the field as a producer and reporter on research-driven, investigative documentaries for an Oscar-winning production firm.

Daily Sabah, Subeditor (2017-2020): Worked as a subeditor in an integrated newsroom – editing, rewriting and proofing stories for clarity, accuracy and audience engagement.

Education: Bachelor of Journalism, Ryerson University - 2007-2011

Tools: Microsoft, Adobe, MailChimp, Insightly, Hootsuite, Cision, Canva, Trello, Asana, WordPress, Drupal
